MAVET

by Eric Campos

(2005-12-15) **★★★★**
2004, Un-rated, 4 minutes

[CREDITS](#) [OFFICIAL SITE](#)

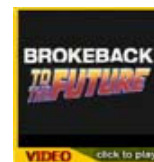

A heated chess game turns out to be an actual struggle between mortal man and death itself. And that's about that. In four minutes, it looks nice, plays nice, death gets his ass kicked. What else can you say about this? It's cute.
